Sixth Grade Community Service

Tracking Sheet for _____

*As part of the Passage Portfolio requirements, sixth graders need to complete **at least 10 hours** of community service before **May 30, 2017**. As they complete their service hours, they should list them in the table below. Each service activity must have a supervising adult's signature.*

Guidelines for Acceptable Community Service:

1. The service goes beyond daily routines, responsibilities, and expectations
2. No monetary payment is being received for the service
3. The service is beyond just doing a quick "favor"
4. The service may be slightly out of a student's comfort zone to help them build character
5. The service is for someone who has a real need
6. The service can be performed either inside or outside of school
